description

Emporia has acknowledged that senior citizens have difficulties using mobile phones and have designed this basic slide opening mobile phone, with a unique emergency panic button on the back of the phone. Emporia life is a simple to use mobile phone that has features, such as SMS text messaging, a 200 memory phone book, alarm & reminder feature, menus that can be reduced. It has large fonts and an orange backlit screen to help the elderly and people whose eyesight and hearing have deteriorated.
